

It's Time for the Christmas Blessings Project!

St. Saviour and St. John are partnering again this year to help make a wonderful Christmas for the families served by Our Daily Bread in Over the Rhine!

We will use our parish Giving Tree to request your donations of new or gently used toys, games, sports equipment and books for children from infants to age 18.

Please select an ornament from the tree and bring your gifts to church by **December 6**.

You are also welcome to help us wrap the gifts on **Dec. 10** from **6:00 to 9:00 p.m.** in Letterst Hall on the St. John campus. Come for as long as you can! We will wear masks and observe social distancing.

Thanks for your help!
